Jesus, our brother and friend

Born like each of us, of a woman, and in
weakness, plunged himself into human life at
the waters of the Jordan, at the beginning of
his life with us.

Into the depths of sin, love, into the mystery of
fragility, weakness, and into the history of his
people.

The waters of the Jordan are the waters of joy
and sorrow; they are waters of hope and
mystery; and they are waters of sin and
division. Into the waters of life Jesus plunged
and made of them the living water of God.

All life is holy, sacred, eternal because of
Jesus. We plunge with him into the depths of
our own being; in the depths of love we will find
the God of love, in the depths of sin, the God of
compassion, in the depths of weakness, the
God of strength, in the depths of division, the
God of reconciliation, in the depths of poverty
and misery, the God of justice, and in the
depths of our humanity we will find the divine
life of God.
