Fifth Sunday of Lent

Jesus started writing on the ground with his finger.

*People have wondered and imagined
what Jesus wrote when they asked him
to condemn the woman.*

*Whatever he wrote encouraged the woman to
stay with him and put some pressure on the
accusers to move away.*

*Maybe he just doodled— wrote nothing
sensible?*

*Or did he write —so that the woman could see
'Stay here , I am with you'
And the woman knew
like all of us know when we are in trouble,
that Jesus is on our side.*

*Or did he write so that the onlookers could see
'Change your hearts, be renewed ,
forgive in your hearts
and come back—sin no more'*

*Maybe he wrote what he later said -
'I do not condemn you, sin no more.'
And all knew they were in the presence
Of love, forgiveness and acceptance.*

*Some, like the woman, could take this
and stayed to get to know this Jesus.
Others, like the accusers, went away,
but maybe they came back later
to get to know this Jesus.*

*No Matter what,
we know that he will stay with each of us,
Eucharist each day
forgiveness and acceptance
all of the days of our life.*
